Chicago, Oct. 8 .- The Chicago American league baseball machine trundled haf way to victory in the world's series clash with the New York Nationals yesthe Giants, 7 to 2, in the second game of the titular struggle, having won the first game Saturday, 2 to 1.

The White Soxx rolled over the Giants yesterday like a baseball juggernaut, leaving disaster and dismay in their wake. The second victory in two days was far more impressive than the win of yesterday, and when the teams left the field, the Chicago club was surcharged with confidence, while the New York combination was badly shattered, both physically and in morale.

The National league champions were obliged to use no fewer than four pitchers, and at the close of the second day corps of the Giants. Only Benton and amoras. Song of the Brown Thrasher. When the brown thrasher starts to sing one might just as well listen, as he will be heard, and every other bird might just as well keep still, as nothing else can be heard. He dominates the entire vicinity. He is on the stage in the middle of the spotlight. His performance is dramatic. It is comic opera at its best. The brown thrasher is more commonly known, probably, as the brown thrush or sometimes as the cinnamon thrush, but as the bird does not belong to the thrush family he should be given his proper name. He is a cousin of the cathird and the mocking bird .- Ohio State Journal.
